

MOST DATA. MOST EXPERIENCE.

FACIS

Fraud Abuse Control Information System

FACIS updates in real time and has data from 5,200 primary sources.

FACIS pulls data as it is published.

FACIS' data is available to any person or entity, allowing open access to critical data.

NPDB

National Provider Data Bank

Last published annual report by NPDB was in 2104 for CY 2012.

NPBD gets final adverse action data only when the PS pushes the data.

NPBD is permissive use only for hospitals and payers.

HISTORIC DATA

FACIS began collecting and aggregating data in 1993.

2016

1993

NPDB lacks significant historical content.
